

Inclement Weather Closing Policy

During the winter months, we will follow Downingtown Area School District's cancellations/delays as our inclement weather closing guide. If DASD has a delay or cancellation, L2BF will cancel classes. Please visit KYW at <http://www.kyw1060.com/pages/487766.php> and look for DASD District Code #876.

Also, please check the website, www.love2benefit.net, or call the studio line, 610-827-0809, for additional details.

So, if Mother Nature sprinkles some flakes or ice crystals, please be sure to check for class cancellations.

Sorry for any inconvenience this may cause. Our goal is to keep our members and instructors safe.

Hopefully we will not have to use this policy too many times this winter.

Stay warm, stay safe, and thank you for your understanding!
